Important Safety Information

Explanation of Attention Words and Symbols used in this guide

This is the safety alert symbol. It is used to alert you to potential personal injury hazards. Obey all safety messages that follow this symbol to avoid possible injury or death.

⚠ WARNING

WARNING, indicates a hazardous situation which, if not avoided, could result in death or serious injury.

CAUTION

CAUTION, used without the safety alert symbol, indicates a hazardous situation which, if not avoided, could result in harm to your pet.

⚠ WARNING

- Please read all included instruction guides and the information below before using the Premier Pet™ Car Pet Safety Tether.
- Do not place a restrained pet in the front seat of a vehicle with a passenger air bag unless the air bag is turned off. DEATH or SERIOUS INJURY can occur. The back seat is the safest place for your pet.
- After clipping the Premier Pet™ Car Pet Safety Tether strap to a dog harness, adjust the length of the strap to keep dog from jumping out and to avoid launching into the cabin of a vehicle during quick stops or collision.
- Always use a harness with the Premier Pet™ Car Pet Safety Tether. Collars are not suitable for automotive restraint and could allow the pet to launch into the cabin of a vehicle during quick stops or collision.
- If your harness or tether show signs of wear or cut web, replace at once.
- This Premier Pet™ Car Pet Safety Tether is for pets only. NEVER use as a child restraint.

CAUTION

- Pets should not be left unattended in vehicle at any time. Do not ever leave your dog in a car in the sun or in warm weather. This can very quickly lead to heat stroke or other life-threatening situations.
- Premier Pet™ Brand is not responsible for injuries suffered by pets as a result of improper adjustment of straps or vehicle accidents.

What's Included

Car Pet Safety Tether

How It Works

Premier Pet™ Safety Tether keeps your pet fastened safely and securely in one place while you are driving, preventing distractions and potential messes. The tether works in any vehicle, clipped to a buckled seatbelt and the dog's body harness, and they're tested to withstand 2000 lbs. A Premier Pet Safety Tether is an economical and easy way to keep pets and people safe in the car.

Installation

There are several ways to attach the safety tether to the vehicle and harness to achieve different combinations of pet mobility. Since many pets prefer to have the ability to move around somewhat, it is up to the owner to determine the best configuration for their pet. The following options are presented in order from those providing greatest range of motion to least:

1. Fasten the seat belt. Attach the safety tether to the shoulder (upper) portion of the seat belt, by first passing the tether behind the belt, and passing the carabiner through the loop at the opposite end of the tether (**A**). Connect the carabiner to the harness to secure pet. The seat belt tensioning device will lock if the vehicle stops suddenly.
2. To reduce pet's range of motion, it is possible to lock the seat belt in advance by fully extending it and allowing it to return to a normal position (same procedure as that used with child safety seats).
3. Fastening the tether to the lap (lower) portion of the seat belt will also reduce pet's range of motion.

In all cases, adjusting the tether to its shortest length will reduce range of motion.

Cleaning

Promptly wipe up any foreign matter or standing liquid with a damp cloth or sponge.

Terms of Use and Limitation of Liability

1. **Terms of Use**

The use of this product is subject to your acceptance without modification of the terms, conditions and notices contained with this product. Use of this product implies acceptance of all such terms, conditions and notices. If you do not wish to accept these terms, conditions and notices, please return the product, unused, in its original packaging and at your own cost and risk to the relevant Customer Care location together with proof of purchase for a full refund.

2. **Proper Use**

Proper use includes, without limitation, reviewing the entire product manual and any specific safety information statements. The specific temperament or size/weight of your pet may not be suitable for this product. If you are unsure whether this product is appropriate for your pet, please consult your veterinarian or certified trainer prior to use. For products used with pets where training is desired, Radio Systems Corporation recommends that these training products are not used if your pet is aggressive and accepts no liability for determining suitability in individual cases.

3. **No Unlawful or Prohibited Use**

This product is designed for use with pets only. This product is not intended to harm, injure or provoke. Using this product in a way that is not intended could result in violation of Federal, State or local laws.

4. **Limitation of Liability**

In no event shall Radio Systems Corporation or any of its associated companies be liable for (i) any direct, indirect, punitive, incidental, special or consequential damage and/or (ii) any loss or damages whatsoever arising out of or connected with the use or misuse of this product. The Purchaser assumes all risks and liability from the use of this product to the fullest extent permissible by law.

5. **Modification of Terms and Conditions**

Radio Systems Corporation reserves the right to change the terms, conditions and notices governing this product from time to time. If such changes have been notified to you prior to your use of this product, they shall be binding on you as if incorporated herein.

Warranty

One Year Non-Transferrable Limited Warranty

This Product has the benefit of a limited manufacturer's warranty. Complete details of the warranty applicable to this Product and its terms can be found at www.premierpet.com.
