

**⚠ WARNING** Before using this product, read and follow all of the instructions and warnings. Do not use this product if your pet is aggressive or is prone to aggressive behavior. Aggressive pets can cause severe injury to their owner and others. If you are unsure whether this product is appropriate for your pet, please consult your veterinarian or a certified trainer.

**⚠ CAUTION** This harness is not intended to be used as a tie-out.

## Cat Harness & Leash

### What's Included

### How it Works

Veterinarians recommend cats get more exercise and activity, as the average household cat is under-exercised, under-stimulated and overweight. The Premier Pet™ Cat Harness & Leash allows you to safely explore the world outside with your cat. The patented design cradles your cat without putting pressure on the throat area. The cradling effect is calming to most cats, and provides safe and easy control for you. The adjustable Sternum Slide creates a custom fit for your cat, while the dual adjustment points on the Girth Strap allow a snug, safe fit. The Shoulder Straps glide through the two D-Rings on the back, allowing an increase of tension (when needed) to restrain your cat without choking.

### Fit the Harness

1. Open harness by releasing the buckles on the Girth Straps.
2. Slide the harness over your cat's head. You may need to move the Sternum Slide down and the T Connector Slide back to make the opening large enough for your cat's head. The Leash Attachment will rest on the cat's back (Illus. 1).
3. Adjust Girth Straps for a snug fit around the ribcage (Illus. 2).
4. Slide Girth Straps between front legs, wrap around the rib cage and connect buckles (Illus. 3). (Repeat steps 3 and 4 as necessary until fit is snug.)
5. To help keep the Shoulder Straps in place and keep your cat secure while wearing the harness:
  - Position the Sternum Slide on or slightly below the cat's breastbone (Illus. 4).
  - Position the rubber stopper behind the T Connector Slide (Illus. 5).

### Tips & Maintenance

Check the leash regularly for signs of damage. Do not leave your cat unattended while wearing the leash.

For more information about how to acclimate your cat to the Premier Pet Cat Harness and Leash, visit [premierpet.com](http://premierpet.com) or call our Customer Care at +1 (866) 381-3896.
